

S38 - S48 - S58 portable compressors

# EVERGREEN

Sullair changes your environment

Lightweight, Compact,  
Strong, Recyclable

S38  
S48  
S58

A choice of three models:  
Sullair **38** (2 m<sup>3</sup>/min - 71 CFM),  
**48** (2,4 m<sup>3</sup>/min - 85 CFM) and **58** (3 m<sup>3</sup>/min - 106 CFM)

- SULLAIR air end **with 2-year warranty**
- **Ultra-resistant** canopy made of rotomoulded polyethylene, **through molding coloured**
- Water cooled **KUBOTA engine** robust and reliable
- **Wings and bumper separate** from canopy and chassis
- **Control panel** at man height, easily **accessible** and **practical** to use
- Protected road lights
- **Highly accessible** lifting eye
- **Removable** diesel fuel tank to facilitate maintenance and serviceability
- **Sealed** environmental-friendly **chassis** for spill containment
- **100 % recyclable** canopy, wings and bumper

## Ergonomic control panel

Conveniently located at the front of the canopy, this control panel prevents the user from being exposed to the traffic.

## Road lights

The **Rear Lights** are **Protected**.

## Removable tank

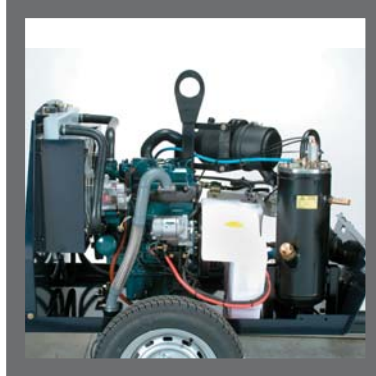

The removable tank facilitates quick and easy serviceability.

## Lifting eye

The specially shaped top part of the canopy makes it **easy to hook on** the compressor for lifting (hook or shackle).

## Full accessibility

Full accessibility to all internal components, **Easy dismantling** of wings and bumpers.

## Kubota engine

One make for all the models of compressor facilitating spare parts management. Engine rated to ensure **longevity** and **low fuel consumption**.
