

SE – Portable air compressor range, electric drive motor

3000 l/min (106 cfm) et 3700 l/min (131 cfm) - 7 bar (100 psi)

ABS-ASA composite canopy

Robustness

- 2 Year air end warranty
- Progressive air regulation
- Protection against phase inversion
- IP55 electric motor protection
- Tool box to carry tool and air hose
- 400V/3ph/50Hz

Eliminates exhaust emissions caused by Diesel Engines and constant re-fueling procedures.

Skid mount (minus undercarriage) option also available

COMPRESSOR (1)	SE22	SE30
Delivery (2) m ³ /min (cfm)	3 (106)	3.7 (131)
Delivery (2) l/s	50	62
Voltage/phase/frequency	400V/3ph/50Hz	
Rated Pressure, bar (psi)	7 (100)	7 (100)

MOTOR	SE22	SE30
Rated Power, kW (HP)	22	30

BODY	SE22	SE30
Total weight, wet, kg	502	526
Maximum axle weight, kg	650	650
Total length (drawbar at 45°) m	2,843	2,843
Total length (flat drawbar) m	3,067	3,067
Total width, m	1,217	1,217
Height, m	1,22	1,22

(1) Compliant with applicable CE regulation
 (2) At rated pressure according to ISO 1217 ±5%
